

ZyVet Animal Health Inc. Accessibility Statement

Updated: January 2023

General

ZyVet Animal Health Inc. (“ZyVet”) is committed to making its website accessible to people with disabilities. ZyVet has invested resources with the goal of designing a website that is easier to use and more accessible for people with disabilities.

Guidelines and Standards

ZyVet’s website endeavors to conform with the Americans with Disabilities Act (ADA) and Web Content Accessibility Guidelines (WCAG 2.1).

Measures to Support Accessibility

ZyVet makes available the UserWay Website Accessibility Widget. The accessibility menu associated with the Widget can be enabled by clicking the accessibility menu icon that appears on the top left-hand corner of the page. After triggering the accessibility menu, please wait a moment for the accessibility menu to load in its entirety.

Disclaimer

ZyVet continues its efforts to constantly improve the accessibility of its websites with the goal of allowing accessible and unhindered use for those of us with disabilities. Whilst the website strives to adhere to the accepted guidelines and standards for accessibility and usability, it is not always possible to do so in all areas of the website.

We are continually seeking out solutions that will bring all areas of the site up to the same level of overall web accessibility. In the meantime should you experience any difficulty in accessing the ZyVet website, please don’t hesitate to contact us.

Contact Us

If you wish to report an accessibility issue, have questions, or need assistance with any content on the ZyVet website, please contact us as detailed below, and we will be happy to assist.
